

## ABOUT THE STATE

HAPPENINGS OF INTEREST FROM DIFFERENT SECTIONS

Schools have been closed and some public gatherings postponed in Irasburg, owing to two or three cases of diphtheria which have recently developed there.

Rev. Hugo Perdelwitz, formerly the pastor of the Universalist church in White River Junction, was recently rejected for a Y. M. C. A. worker overseas, on account of his alien birth.

Nathan D. Allen, formerly a resident of Brattleboro, has resigned his position as warden at the state prison in Charlestown, Mass., after a period of service extending over 24 years. He will receive a pension of \$2,000.

The death of Walter Russell, son of Mr. and Mrs. Ellsworth Russell of St. Johnsbury, which occurred Sunday, came at the time when his brother, Private Percy E. Russell, whose death occurred at Camp Devens last week, was being buried.

News has been received in Burlington stating that Cleson S. Cummings, U. V. M. '20, who was sent to the national rifle match at Camp Perry, O., as a member of the Wakefield, Mass., rifle range, won third place in the national individual match with 1,500 contestants. He has been awarded a gold medal.

The number of cases of the grip reported to the health officer at St. Johnsbury has reached a total of 997. Two of the doctors are in bed, while a number of nurses have also been incapacitated for further service. Although the number of new cases to be reported has somewhat decreased, there are several serious cases of pneumonia in the town.

Miss Mabel G. Belden, the 13-year-old daughter of Deputy Sheriff and Mrs. D. E. Belden of Benson, is deserving of all credit as one of the fastest workers in the war savings stamp drive. During a recent campaign in Benson, where stamps to the value of \$4,000 were sold, Miss Belden's sales amounted to \$1,200.85, while she had over \$400 more pledged.

While assisting in threshing at the farm of Lucius Mason in Albany a few days ago, Gafford King, aged 18 years, was killed. In some manner the separator belt pulled off the pulley and in an attempt to put the belt back in place he was caught and literally tore open, dying after a few hours. Both parents are dead.

Rev. Elmer E. Count of New York state, one of the foremost Methodist missionaries in foreign fields, recently spoke before a large audience in Brattleboro. Rev. Count has been a missionary for nearly 15 years in Bulgaria and due to his extensive knowledge concerning the country he was able to give an interesting talk in regard to their relation to the war.

## STOMACH UPSET?

Get at the Real Cause—Take Dr. Edwards' Olive Tablets

That's what thousands of stomach sufferers are doing now. Instead of taking tonics, or trying to patch up a poor digestion, they are attacking the real cause of the ailment—clogged liver and disordered bowels.

Dr. Edwards' Olive Tablets arouse the liver in a soothing, healing way. When the liver and bowels are performing their natural functions, away goes indigestion and stomach troubles.

If you have a bad taste in your mouth, tongue coated, appetite poor, lazy, don't-care feeling, no ambition or energy, troubled with undigested foods, you should take Olive Tablets, the substitute for calomel.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil. You will know them by their olive color. They do the work without griping, cramps or pain.

Take one or two at bedtime for quick relief, so you can eat what you like. At 10c and 25c per box. All druggists.
